ORDER:

1. Preamble & Objectives

In order to strengthen the accountability, transparency, and merit-based career progression within APTRANSCO, it is hereby ordered that a new Performance Management System (PMS) shall be introduced in place of the existing ACR / manual appraisal formats, with effect from Assessment Year 2025–26 (01.04.2025 to 31.03.2026) and each subsequent year.

The objectives of this PMS are:

(a) To establish a uniform, metric-driven framework for evaluating officer performance across all cadres and wings.

(b) To ensure that appraisals are grounded in documented, verifiable work outputs rather than subjective assessments.

(c) To create a transparent linkage between individual performance and HR outcomes, including career progression, training, and postings.

(d) To enable data-driven workforce planning and institutional capacity building.

2. Definitions

The following definitions are part of PMS-APAR online Appraisal Management system

"PMS"	Performance Management System as introduced under this order.
"Assessment Year"	The financial year (01 April to 31 March) for which performance is being assessed.
"KRA"	Key Result Area – a broad area of responsibility aligned to the officer's role.
"KPI"	Key Performance Indicator – a specific, measurable metric within a KRA.

"RO"	Reporting Officer – the immediate supervisor responsible for validating KRAs and assigning ratings.
"RVO"	Reviewing Officer – the authority one level above the RO who reviews and may moderate ratings.
"AA"	Accepting Authority – the final approving authority, where applicable per the authority matrix.
"Source Reference"	A verifiable documentary reference (e.g., e-Office file number, SAP document number, logbook page/date, measurement register reference, minutes/letter number) cited against each KPI to substantiate achievement claims.
"Portal"	The TRANSCO-PERFORM online platform (Performance Evaluation & Reporting Framework for Merit).
"HOD"	Head of Department / Head of Office as notified by HRD.
"Moderation Committee"	The committee constituted under Clause 10 of this order for the normalization of scores.

3. Platform & Phasing

3.1 The online platform for PMS shall be designated "**TRANSCO-PERFORM** Portal" (Performance Evaluation & Reporting Framework for Merit).

3.2 Phase-I is designed for practical roll-out with manual data entry by employees and supervisory validation. System integrations (SAP/HRMS auto-fetch, e-Office linkage, etc.) shall be enabled in subsequent phases through separate orders..

4. Applicability

4.1 These orders apply to all Officers in Executive cadres/ Non- Executive cadres of APTRANSCO in Engineering, O&M, Accounts, P&G, and other corporate wings, unless a separate statutory framework is specifically notified.

4.2 Officers who have served in APTRANSCO for a minimum of 90 days during the Assessment Year shall be assessed under this PMS. For officers serving less than 90 days, the period shall be covered by a descriptive confidential note by the RO, without numeric grading.

4.3 In cases of deputation (outward), the performance report obtained from the borrowing organization shall be considered for internal PMS purposes and mapped to the applicable grade band as per HRD guidelines.

Periods of long leave, suspension or other non-duty spells shall be treated in accordance with the extant of HR rules currently in vogue.

4.4 Officers holding additional charge of a higher post shall be assessed at the level of the substantive post, with the additional charge responsibilities recorded as a supplementary KRA.

5. PMS Structure & Weightage Model

5.1 The PMS shall comprise three scored sections on a uniform 1–10 numeric scale:

Sl.	Section	What is Assessed	Weightage
1	**Section II – Work Output (KRAs/KPIs)**	Deliverables & targets	**60%**
2	**Section III(A) – Personal Attributes**	Conduct & Behaviour	**20%**
3	**Section III(B) – Functional Competency**	Skills & domain knowledge	**20%**

5.2 Final Score = (A × 0.60) + (B × 0.20) + (C × 0.20), where A, B, C are the respective section scores out of 100.

5.3 Grade Bands shall be as follows:

Grade	Rating	Performance Description	Marks
I	II	III	IV (II x10)
A Grade	**9.00 to 10.00**	**Outstanding or Out of turn**	**91-100**
B Grade	**8.00 to 8.99**	**Very Good or In turn**	**81 – 90**
C Grade	**7.00 to 7.99**	**Good and In turn**	**71 - 80**
D Grade	**6.00 to 6.99**	**Average**	**61 - 70**
E Grade	**Below 5.99**	**Needs Improvement and treated as unfit**	**60 and Below**

6. KRA/KPI Planning & Entry Protocol

6.1 Each officer shall record their KRAs/KPIs for the Assessment Year. Phase-I permits manual drafting by the employee based on role responsibilities and departmental functions.

6.2 The RO shall review and approve each KRA/KPI and its assigned weight. The total of all KPI weights within Section II must equal 100%.

6.3 Each KRA/KPI shall be written in clear, measurable terms with a defined Target (quantitative or qualitative milestone) and, at year-end, the corresponding Actual Achievement.

6.4 A Source Reference is mandatory for significant KPIs. Acceptable references include: e-Office file number, SAP document number, logbook page/date, measurement register reference, minutes/letter number, or any other official record. The RO may call for supporting documents where necessary.

6.5 Where an officer's role undergoes material change during the year (transfer, re-assignment, organizational restructuring), the KRAs may be revised at the Mid-Year Review stage with the approval of the new RO. The original and revised KRAs shall both be recorded in the form.

6.6 HODs shall ensure that KRAs across officers in the same unit are internally consistent and collectively cover the unit's mandate, avoiding duplication or omission of critical functions.

6.7 All KRAs and KPIs shall be role-aligned, outcome-oriented and framed in measurable terms to the extent practicable, ensuring objectivity and comparability across similar positions.

7. Rating Discipline

7.1 All ratings shall be on the 1–10 scale only, which can be convertible into marks by multiplying with 100. Fractional scores are not permitted at the individual parameter level; the Final Weighted Score may contain up to two decimal places.

7.2 A mandatory remark (one line) by the RO is required whenever a rating of 1–2 (Inadequate) or 9–10 (Exceptional) is assigned. This applies to each parameter in Section II, III(A), and III(B).Where the RVO or AA revises the RO's score by more than one (1) point on any parameter, the revising authority shall record brief reasons in the portal/form.

7.3 Self-assessment by the employee is for KRA achievement reporting only (Target vs. Actual).

7.4 Ratings shall be based on documented performance evidence and observable work outcomes during the Assessment Year and shall not be influenced by personal considerations or extraneous factors.

8. Authority Matrix

8.1 The TRANSCO-PERFORM workflow shall route PMS forms based on the cadre/designation authority matrix in Table 8A. Where a post is notified or treated as HOD, the HOD mapping shall apply.

Notes:

(a) For O&M officers, the Engineering hierarchy applies at the equivalent level.

(b) Where equivalent designations exist in other wings, mapping shall follow the level equivalence notified by HRD.

(c) If an officer works directly under only one supervisory level (no separate RO available), the next higher authority shall act as RVO/AA, with reasons recorded.

(d) For transfers or partial-period postings, the authority who supervised for the major portion of the year (>50% of the qualifying period) shall normally report. HRD/HOD may resolve exceptions.

(e) In no case shall the RO and the officer assessed be involved in a pending disciplinary or vigilance proceeding against each other. If such a conflict exists, the next higher authority shall be designated as RO by HRD.

(f) The ratings, weightage and score of RO, RVO and AA shall be recorded in software.

9. Annual PMS Calendar

9.1 The following timelines shall be adhered to strictly. Non-compliance by any authority shall be reported by the APAR Cell to the competent HOD:

Sl.	Activity	Deadline	Responsible
1	KRA/KPI drafting by employee + RO approval	**15 April**	Employee + RO

9.2 If an RO fails to complete the assessment by the prescribed deadline, the RVO may, after issuing a written reminder with a 7-day extension, complete the RO's assessment based on available records, with a note to this effect.

9.3 If officers miss the deadline for self-entry submissions, RO is authorised to accord grade.

10. Score Moderation & Normalization

10.1 To ensure consistency and prevent systemic grade inflation or deflation, a Moderation Committee shall be constituted at the Corporate Level(for which PMS should be maintained at Corporate Level)

i) Corporate level as follows:

(a) JMD – Chairperson

(b) All Directors – Members

(c) CGM (HR) – Member-Convener

(c) AS - Member-Convener

<u>Zonal Moderation Committees shall function within the framework approved by the Corporate Moderation Committee and shall submit summary outcomes to CGM (HR).</u>

10.2 The Moderation Committee shall review aggregate score distributions after the AA stage and may recommend calibration where any wing or unit shows statistically anomalous patterns (e.g., more than 30% of officers rated Outstanding, or more than 40% rated in any single grade band). The Committee's recommendations shall be advisory and recorded.

10.3 Individual scores shall not be revised by the Moderation Committee. Where patterns suggest systemic bias, the Committee may refer specific cases back to the concerned AA/RVO for review with recorded reasons.

10.4 The Moderation Committee shall meet once annually, within 30 days after the AA deadline (i.e., by 31 July).

11. Disclosure & Representation

11.1 The completed PMS report, including the Final Weighted Score and Grade, shall be disclosed to the officer through the portal.

11.2 The officer may submit a representation within 15 days of disclosure, strictly on factual or recorded aspects (e.g., incorrect Source Reference, mathematical error, factual inaccuracy in achievement data).

11.3 The representation shall not be a forum for challenging the subjective judgment of the RO/RVO/AA on rating levels.

11.4 The decision shall be communicated within 30 days.

12. Appeal:

12.1 Appeal Committee:

14.2 The employee who fails to fill and submit the information in Annexure –I within stipulated time herein, RO is authorized to accord grades in such cases.

14.3 Any difficulty in the interpretation or application of these orders shall be referred to Additional Secretary, whose clarification, with the approval of JMD, shall be final.

15. Transitional Provisions

15.1 Assessment Year 2024–25 and all preceding years shall continue to be governed by the existing ACR/APAR framework.

15.2 Assessment Year 2025–26 shall be treated as a transitional year. During this year, (a) the Moderation Committee's recommendations shall be advisory only, and (b) no adverse HR consequence (increment withholding, promotion ineligibility) shall flow solely from PMS scores. From Assessment Year 2027–28 onwards, full linkage of KRA/KPI.

15.3 Assessment Year 2025–26 shall be treated as a transitional year. During this year, (a) the Moderation Committee's recommendations shall be advisory only, and (b) no adverse HR consequence (increment withholding, promotion ineligibility) shall flow solely from PMS scores.
